विद्यापीठ गीत

एक प्रतिज्ञा असे आमुची ज्ञानाची साधना ।
चिरंतन ज्ञानाची साधना ।
ज्ञान हेच संजीवन साऱ्या जगताच्या जीवना ।। धृ ।।

ज्योत जागवू सुजाणतेची सकलांच्या अंतरी ।
तीच निवारील पटल तमाचे प्रभात सूर्यापरी ।
ज्ञानच देउळ, ज्ञानच दैवत, प्रगतीच्या पूजना ।। १।।

नव्या युगाचा नव्या जगाचा ज्ञान धर्म आहे ।
त्यातच अमुच्या उजळ उद्याचे आश्वासन राहे ।
मुक्त करिल तो परंपरेच्या बंदिघरातुन मना ।। २ ।।

हाच मंत्र नेईल आम्हाला दिव्य भविष्याकडे ।
न्यायनीतीचे पाऊल जेथे भेदाशी ना अडे ।
जे जे मंगल पावन त्याची जेथे आराधना ।। ३ ।।

1. About the University

The Yashwantrao Chavan Maharashtra Open University (YCMOU) was set up in July1989 by Act XX (1989) of the Maharashtra State Legislature. The degree/diploma of this University is treated as equivalent to the degree/diploma of any other university for the purpose of employment in government and semi-government establishments. One of the major goals of the University is to create, preserve and disseminate knowledge to its learners and the masses and thus become a 'Mass-Varsity'. The emphasis, throughout, is on developing educational programmes which qualify a person to get a better job, to start earning on his own or help a working person to improve her/his career. Providing education through classroom-based system is expensive, rigid and puts time constraints on the learners.

Technology based education of YCMOU provides the following benefits:

- It is cost effective.
- It has outreach to the masses.
- It is flexible: 'learn anywhere and anytime and as per your pace and style of learning'.

2. About the School of Computer Science

The School of Computer Science is one of the eight schools of studies located at the headquarters of the University. Through its quality policy, the School aims to enhance and sustain excellence of its educational programmes. It has a vision to create computer literacy by taking computer education to the masses.

The School envisages to:

- Develop degree, postgraduate and research level computer programmes for creating professional manpower required by the IT industries.
- Develop need-based and job-oriented short-term computer programmes to meet the huge demand of IT skilled manpower in business and industry.
- Ensure relevance of programmes by updating the curriculum dynamically.
- Provide e-Learning support to its learners.
- Establish tie-ups with industries and other educational institutions to share experience and knowledge.
- Carry out research in multimedia, virtual reality, fuzzy logic, neural networks etc. that will help in developing new methods, tools and techniques useful for computer education and applications.
- The School imparts computer education through its Authorized Study Centres.

3. Educational Collaboration with MKCL

Maharashtra Knowledge Corporation Limited (MKCL) is a Public Limited Company promoted by the Department of Higher and Technical Education, Government of Maharashtra, India in 2001 to create new paradigm in education and development through universalization and integration of Information Technology in teaching, learning and educational management processes in particular and socio-economic transformative processes in general.

Yashwantrao Chavan Maharashtra Open University (YCMOU) in collaboration with Maharashtra Knowledge Corporation Limited (MKCL) is launching innovative degree programmes. These Role Based programmes are implemented in the real-life work environment of the industry.

These programmes are in the form of eLearning supported Work Lab wherein the learners get an intensive exposure, expertise and experience practical skills under the guidance of mentor. It's an innovative learning through working paradigm through an attempt to seek a blend of the work environment and learning environment.

4. Need of the Role based Degree Programme

The services sector has been a major and vital force steadily driving the growth in the Indian economy for more than a decade. It covers a wide range of activities, from the most sophisticated information technology (IT) to simple services provided by the unorganized sector, such as the services of the barber and plumber. National Accounts classification of the services sector incorporates trade, hotels, and restaurants; transport, storage, and communication; financing, insurance, real estate, and business services; and community, social, and personal services.

Emergence of service sector on a large scale has resulted into new opportunities of employment with new roles and new skills and knowledge.

It is therefore, essential to have a comprehensive educational programme to empower new generation with skills and knowledge necessary to grab huge opportunities of employment in service sector.

Learners desirous to join service sector are primarily the target audience of the programme. Also, learners who need to earn while they learn, will opt for this programme because of the unique methodology of the programme, where learners will get real-life workplace experience and learn simultaneously through eLearning support.

B.B.A in Business Process Management programme being offered by YCMOU in collaboration with MKCL in Business Administration is going to be a boon for learners; aspiring a career in service sector. Similarly, there is a continuous demand and need of IT infrastructure management services, IT being at the core of many business functions across different domains - from homes, schools, colleges, universities, to corporate and communities.

B.Sc. in Computer System Administration programme has been specially designed for young aspiring professionals who want to pursue a bright career in IT infrastructure and support industry. This would enable a Learner to work in actual IT infrastructure and support industry for three years as a desktop technician/IT support engineer/ System administrator/ Security or database administrator etc. and simultaneously get a meaningful and relevant degree in Computer System Administration. There is a continuous and growing need of young professionals who can manage IT infrastructure that comprises of computers, laptops, gadgets, networking, servers, software and many such things, and also give support for its maintenance, management and troubleshooting.

5. Study Centre@Workplace

Study Center @Workplace (SC@WP) is the industry Work Lab provided by industry partners of MKCL and authorized by YCMOU as SC@WP. Learners are expected to perform Practicals at the Work Lab by getting involved in real-life work that will be allocated to them as a part of three years degree programme by respective Industry Partner.

- Learners based on his/her performance in the Practicals at the Work Lab (at SC@WP) and eLearning assignments at SC@WP shall earn Work and Knowledge Credits respectively.
- Learner shall get the following at SC@WP:
  - Work Lab in form of Real-life work environment (every day, normally for 8 hours)

14.Admission Process: How to Seek Admission…

The learners interested in pursuing this degree programme can take admission to first year of degree programme. The admission process is divided into two phases. The first phase is learner selection process and second phase is registration of selected learner on university portal.

A. Learner selection process

1. Selection of a learner is made by MKCL in collaboration with Study Centers @ Workplace.
2. Detailed process is published on the website: www.mkcl.org/mfs and http://ycmou.digitaluniversity.ac Learner should follow the Step by step process as per the instructions given.
3. Please note that admission form sent directly to the University will **NOT** be accepted.
4. Please refer FAQs section on www.mkcl.org/mfs to go through frequently asked questions in this regard.
5. Please refer Student Declaration that is to be signed by the student after selection enclosed as an appendix

B. Online registration on University Portal

The learner selected in first phase will be required to do online registration on university portal.

C. Changing the Study Centre at Workplace

1. The Learner once registered, **cannot** change the Study Center @ Workplace in-between the degree programme under any circumstances. Please refer Admission Process to understand Study Center@ Workplace allocation in detail.

2. In case University discontinues a StudyCenter@Workplace, i.e. Work Lab, learners shall be transferred to other Work Lab as per the rules stipulated by the University at that time and it will be binding for the learner.

D. Cancellation of registration:

In following cases the registration for the degree programme shall get cancelled and the learner will have to re-register for the programme:

- In case the learner fails to join the StudyCenter@Workplace (i.e. Industry Partner Work Lab) on stipulated date and time OR
- In case s/he remains absent or is absconding for a period beyond consideration as per the policies of respective StudyCenter@Workplace (i.e. Industry Partner Work Lab) OR
- In case her/his performance at the StudyCenter@Workplace i.e. Work Lab is not satisfactory and therefore s/he has not been able to earn the work ratings necessary for the award of degree OR
- In case of non-performance s/he gets terminated at the Work Lab before completion of 3 years OR
- Not having necessary eligibility qualification.
- Any other reason as per University norms stipulated for this programme from time to time

E. Re-registration

1. The registration to the degree programme shall be valid for a period of 5 years including the year of registering for the first year. The learner should complete the degree programme successfully within the valid period.
2. If learner fails to complete the programme within valid period mentioned in above paragraph s/he should re-register i.e. take fresh admission to the programme by paying programme fees and provided the same programme is offered by the university at that time.
3. All the rules and regulations, which exist at the time of re-registration, will apply to the learner.

15.Evaluation

University has decided to conduct the **descriptive** end examination pattern from academic year 2016-17. **Examination of all learners (new as well as existing) will be of descriptive type from academic year 2016-17. Repeater learners will also be required to take descriptive type examination.**

A student shall need to successfully complete all the courses in the academic program to successfully complete the academic program.

The performance at the examinations for all the courses in the academic program (except those which are "exempted") shall determine the overall class or division or Cumulative Grade Performance Average (CGPA).

Marks system:

1. For the purpose of evaluation, there are three types of courses, namely, (i)Theory Courses (ii) Practical Course (iii) Project Course
2. For **Theory Courses**, there will be two components in examination, namely, (i) Continuous Assessment (CA) and (ii) End Examination (EE).
3. The Continuous Assessment (CA) for a Theory Course shall consist of two types
   - Work Based Assessment (Work ratings awarded by SC@WP i.e. Work Lab) will carry 10 marks
   - Knowledge Based Assessment will carry 10 marks

   Work ratings awarded by SC@WP i.e. Study Center @ Workplace are consolidated monthly and the average work rating for one semester is awarded for each Theory Course.

   The marks obtained by each student in a format given in by examination section must be submitted by the Study Centre at Workplace (SC@WP) before the commencement of the EE, to the Controller of Examinations (CoE). The mark statement of the students shall be displayed on the Notice Board by the SC and shall be uploaded by the YCMOU on its websites.
4. The EE (of 80 marks) shall be set, organized and evaluated under supervision and control of the Controller of Examination, YCMOU. The EE shall consist of compulsory questions of 5 marks each.
5. For successful completion of a Theory Course, the examinee must secure at least 40 % marks in the EE AND at least 40% in combined total of CA and EE. In case the candidate does not complete a theory course successfully, (s) he may take the EE as a repeater student by paying requisite fee and by following stipulated procedure. No repeat examination in CA will be taken. (**Explanation**: A candidate has, (for a course of 100 total marks), secured 20 marks out of 20 in CA and has secured 20 marks out of 80 in EE, thus has secured aggregate 40 marks out of 100. She shall not be treated as "passed" because she has not secured 40 % marks in EE. On the other hand, a candidate who has obtained 5 marks out of 20 in CA (less than 40%) and 35 marks out of 80 in EE (more than 40%) thus securing 40 marks out of 100 in aggregate is treated as successful as she has secured more than 40% in EE and more than 40% in aggregate.)
6. There are standard errors of measurements (SEM) in any measurement process, including the psychometric process of student evaluation. To make up for injustice which may cause to examinees failing to secure required minimum marks by less than 1 SEM of marks, "grace" marks are awarded only for the Theory courses and *Theory* part of the Theory-cum-practical

courses. There shall be grace marks awarded to examinees to the extent of 4% of maximum marks for the aggregate (CA+EE). Such grace marks shall be added to EE part only if the result of such operation results in the examinee becoming successful in completion of the course. Thus, for theory course of 100 marks (EE+CA), examinees who secured EE marks (out of 80) of 28,29,30 and 31 shall be given grace marks of 4,3,2,1 respectively, provided such addition results in the successful completion of the course. The modified marks shall be shown in the EE part of the mark statement.

7. The Continuous Assessment (CA) for **Practical Courses** shall consist of two types
   - Work Based Assessment (Work ratings awarded by SC@WP i.e. Work Lab) will carry 10 marks
   - Hands on Assignments Assessment will carry 10 marks

   Work ratings awarded by SC@WP i.e. Work Lab are consolidated monthly and the average work rating for one semester is awarded for each Practical Course.
8. No repeater examination in Continuous Assessment will be conducted.
9. The Project Work type of courses shall be in the form of Work Report submitted by the students at their respective Study Center @ Workplace carry marks as defined in the course structure. Of these marks to be allotted, 50% marks shall be awarded from the average of the work ratings obtained by the student during his/her first 5 semesters and 50% marks shall be awarded by the External Examiner i.e. SC@WP representative on timely submission of project report at Study Center @ Workplace. The evaluation will be based on the performance of the examinee in Viva Voce, Project Report and Presentation based on the Project work. The student needs to secure 40% marks in the Project Examination to successfully complete the course.

Students Evaluation with Grade system:

1. The system of examination shall be same as that with the marking with the following additional changes:
2. The marks scored by the examinee shall be converted into grade points by dividing the marks scored in the aggregate and dividing the resulting number by maximum marks, multiplying the result by ten, retaining the integer part (ignore the fractional part). Thus if a person has secured 56 marks out of 100 marks in aggregate for a course, we get (56/100) x10 which is 5.6. Ignoring the fraction, we get 5 as the grade point.
3. **Letter Grade:** It is an index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, P and F. The UGC recommends a 10-point grading system with the following letter grades and points as given below:

Letter Grade and description	Grade Point
O (Outstanding)	10
A+(Excellent)	9
A(Very Good)	8
B+(Good)	7
B(Above Average)	6
C(Average)	5
P (Pass)	4
F(Fail)	0
Ab (Absent)	0

Award of passing certificate

Award of Certificate: A learner becomes eligible for the award of certificate after successful completion of the course components included in the certificate program.

Award of Degree: A learner becomes eligible for award of degree after successful completion of the courses included in the concerned degree program.

Assessment Methodology for Continuous Assessment (CA)

A continuous comprehensive evaluation methodology is followed for role based programs in order to avoid severe asymmetry between short duration examinations and long learning period.

- Learners will earn 'work ratings' by completing Practicals at the Work Lab in the industry, which are based on the norms stipulated by industry.
- Learners will earn 'knowledge ratings' by studying theory by accessing eLearning resources and solving eAssessments
- Attitude development, ethical values and cultural dimensions, wholesome personality development are considered for the award of 'culture ratings', which are included in the work ratings.
- While the registration to the program is valid for 5 years, the duration of the Work Lab at the StudyCenter@Workplace shall be 3 years only. This means that the learner registered for this degree programme will have to earn work credits necessary for the degree by performing practicals at the StudyCenter@Workplace.

The Registrar / Director
Of all the Indian Universities
(Deemed, State, Central Universities /
Institutions of National importance)

Subject: Recognition of Degrees awarded by Open Universities.
Sir/Madam,

There are a number of open Universities in the country offering various degrees/diploma through the mode of non-formal education. **The Open Universities have been established in the country by an Act of Parliament or State Legislature in accordance with the provisions contained in Section 2(f) of University Grants Commission Act, 1956. These universities are, therefore, empowered to award degrees in terms of Section 22(1) of the UGC Act, 1956.**

A circular was earlier issued vide UGC letter N.F.I-8/92(CPP) dated February, 1992 mentioning that the Certificate, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country.

Attention is further invited to UGC circular No.Fl-25/93(CPP-II) dated 28th July, 1993 (copy enclosed) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional Universities is ensured without any difficulty.

The UGC has specified the nomenclature of degrees under Section 22(3) of the UGC Act, 1956 to ensure mandatory requirements viz. minimum essential academic inputs required for awarding such degrees. A copy of Gazette Notification regarding specification of degrees issued vides No.l-52/97(CPP-II) dated 31st January 2004 is enclosed. The details are also given in UGC Web site: www.ugc.ac.in

May, I therefore request you to treat the Degrees / Diploma / Certificates awarded by the Open Universities in conformity with the UGC notification on Specification of Degrees as equivalent to the corresponding awards of the traditional Universities in the country.

Yours faithfully

(Dr. Mrs. Pankaj Mittal) Joint Secretary

मुक्त विद्यापीठाच्या पदव्यांना समकक्षता व शासन मान्यता

१) **अन्य विद्यापीठांच्या पदवीशी समकक्षता**

मा. शिक्षण संचालक (उच्च शिक्षण) महाराष्ट्र राज्य यांच्या पत्र क्र. समक (उ. शि.)/१०९४/३२८६१/मवि-१, दि. ३० ऑक्टोबर १९९५ च्या पत्रान्वये 'केंद्रीय किंवा राज्य विधिमंडळाने अधिनियमाद्वारे भारतातील विद्यापीठाने दिलेली पदवी/पदविका आणि संसदेने अधिनियमाद्वारे इतर शैक्षणिक संस्था प्रस्तावित केलेल्या आहेत किंवा विद्यापीठ अनुदान आयोग अधिनियम (१९५६) मधील कलम क्र. ३ अन्वये मानीव विद्यापीठे घोषित केली आहेत अशांच्या बाबतीत पदवी किंवा पदविका मान्यता देण्याबाबतचे औपचारिक आदेश विद्यापीठाने काढण्याची आवश्यकता नाही'.

यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठ हे महाराष्ट्र राज्याच्या विधिमंडळाने अधिनियमाद्वारे (कायदा क्र. २०/१९८९) स्थापन केलेले विद्यापीठ असून त्यास विद्यापीठ अनुदान आयोगाचीही मान्यता आहे. **त्यामुळे या विद्यापीठाची पदवी इतर विद्यापीठांच्या पदवीशी समकक्ष आहे.**

२) **विद्यापीठ अनुदान आयोगाची मान्यता**

विद्यापीठ अनुदान आयोग, नवी दिल्ली यांनी त्यांचे पत्र क्र. F/S-15/89 (CPP-I) दि. ८ डिसेंबर १९९२ नुसार विद्यापीठ अनुदान आयोगाच्या १९५६ च्या कायद्यातील कलम १२-बी अन्वये यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठास मान्यता दिली आहे.

३) **महाराष्ट्र लोकसेवा आयोगाची मान्यता**

उपसचिव व परीक्षा नियंत्रक, महाराष्ट्र लोकसेवा आयोग, मुंबई यांच्या पत्र क्र. १४७७ (१७/१९९४/कक्ष) **दि. १७ फेब्रुवारी १९९४ च्या पत्रातील मान्यतेसंबंधीचा मजकूर – 'यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठ हे संविधिमान्य (Statutory) असल्यामुळे आपल्या विद्यापीठाच्या पदवीधर विद्यार्थ्यांकडून आलेले अर्ज देखील इतर मान्यताप्राप्त विद्यापीठांच्या पदवीधर उमेदवारांकडून आलेल्या अर्जांप्रमाणेच आयोगाकडून विचारात घेतले जातील'**
