| 1. Write the minimum and recommended configuration to install AD. | 15 |
| 2. Write the steps to installation AD.                            | 10 |
| 3. Provide the boot configuration for the given system.           | 20 |
| 4. Write the OS information for the given system.                 | 10 |
| 5. Show the result to the examiner.                               | 05 |
- 

### Material/Software Requirements:

1. Working System.
2. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

Course Name & Code: (DHW 108)/201605

Slip No.: 02

Time : 3 Hours

Marks : 60

---

### Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.
  4. Draw observation tables and write conclusion, unites for the practical.
  5. Show the observation and conclusion /result to the Examiner.
- 

**Practical Title-** How to install windows 2000 server.

1. Write the minimum and recommended configuration to install win 2k server.
  2. Write the steps to installation Win 2K server.
  3. Provide the boot configuration for the given system.
  4. Write the complete HDD information.
- 

Material/Software Requirements:

1. Working System, sound card, sound drivers etc.
2. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

Course Name & Code: (DHW 108)/201605

Slip No.: 03

Time : 3 Hours

Marks : 60

---

### Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.
  4. Draw observation tables and write conclusion, unites for the practical.
  5. Show the observation and conclusion /result to the Examiner.
-

| 4. Show result to the examiner.                      | 10 |
- 

Material/Software Requirements:

1. Working System, sound card, sound drivers etc.
2. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

Course Name & Code: (DHW 108)/201605

Slip No.: 04

Time : 3 Hours

Marks : 60

---

### Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.
  4. Draw observation tables and write conclusion, unites for the practical.
  5. Show the observation and conclusion /result to the Examiner.
- 

**Practical Title-** How to install windows 2000 workstation with RIS windows 2K server.

- |  |    |
|--|----|
| 1. Write the minimum and recommended configuration to install Win 2k server. | 10 |
| 2. Write the steps to installation Win 2K server.                            | 10 |
| 3. Explain about RIS.  | 20 |
| 4. Write the steps to installed RIS.   | 10 |
| 5. Show the result to the examiner.  | 10 |
- 

Material/Software Requirements:

1. Working System.
2. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

Course Name & Code: (DHW 108)/201605

Slip No.: 05

Time : 3 Hours

Marks : 60

---

### Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.

1. Create two printer, one as local and other as network printer on two different PCs. 20
  2. Share the local printer and give it all. 20
  3. Create a file containing your name, program, cover and take the printer at this page an the network printer. 10
  4. Show the Result to the examiner. 10
- 

### Material/Software Requirements:

1. Working System.
2. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

Course Name & Code: (DHW 108)/201605

Slip No.: 06

Time : 3 Hours

Marks : 60

---

### Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.
  4. Draw observation tables and write conclusion, unites for the practical.
  5. Show the observation and conclusion /result to the Examiner.
- 

**Practical Title-** Installing WINS and Configuring WINS server.

- |   |    |
|---|----|
| 1. Install WINS server on windows 2000 server.                | 20 |
| 2. Configure WINS server.                                     | 20 |
| 3. Take the printout of server configuration property screen. | 10 |
| 4. Show the Result to the examiner.                           | 10 |
- 

Material/Software Requirements:

1. Working System.
2. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

**Course Name & Code: (DHW 108)/201605**

**Slip No.: 07**

**Time : 3 Hours**

**Marks : 60**

---

**Instructions:**

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.
  4. Draw observation tables and write conclusion, unites for the practical.
  5. Show the observation and conclusion /result to the Examiner.
- 

**Practical Title-** Create RAIDS volume.

- |    |  |    |
|----|--|----|
| 1. | Explain the RAID in brief.                         | 20 |
| 2. | Explain the disk management terminology.           | 20 |
| 3. | How do you servant a dynamic disk to a basic disk. | 10 |
| 4. | Show the Result to the examiner.                   | 10 |
- 

**Material/Software Requirements:**

1. Working System.
2. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

Course Name & Code: (DHW 108)/201605

Slip No.: 08

Time : 3 Hours

Marks : 60

---

### Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.
  4. Draw observation tables and write conclusion, unites for the practical.
  5. Show the observation and conclusion /result to the Examiner.
- 

### **Practical Title-** How to install and configure DNS in win 2k.

- |   |    |
|---|----|
| 1. Explain about DNS.   | 20 |
| 2. Write the steps to install and configure DNS in win 2k server. | 20 |
| 3. Explain about FLZ and RLZ.                                     | 10 |
| 4. Write the steps to configure FLZ.                              | 5  |
| 5. Show the result to the examiner.                               | 5  |
- 

### Material/Software Requirements:

1. Working System.
2. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

Course Name & Code: (DHW 108)/201605

Slip No.: 09

Time : 3 Hours

Marks : 60

---

### Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.
  4. Draw observation tables and write conclusion, unites for the practical.
  5. Show the observation and conclusion /result to the Examiner.
- 

### **Practical Title-** Connecting windows 95/98

1. Install windows 2000 as a server and windows 98 as work station. 20
  2. Give IP address to 10
    - a) Server =192.168.01.10.
    - b) Client=192.168.01.15.
  3. Access any file from server and change the name of it. 10
  4. Take a print out of test page and Show all Result to the examiner. 20
- 

### Material/Software Requirements:

1. Working System.
2. Power code.
3. Working CD-ROM etc.

## V05/V06/V07/V14/Practical Examination Slip

---

**Course Name & Code: (DHW 108)/201605**

**Slip No.: 10**

**Time : 3 Hours**

**Marks : 60**

---

**Instructions:**

1. Use Answers Sheets for practical Observation and write procedure and result.
  2. This practical slip must be attached to your answers-sheet.
  3. Figures to write are maximum marks for that Question/Option/ Activity.
