

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 01

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- To study components of windows server 2008 R2. With new features.

- | | | |
|----|---|----|
| 1. | Which new features are added into windows server 2008 R2? | 15 |
| 2. | What is the difference between windows server 2008 and R2. | 15 |
| 3. | What is R2? Give some reasons to upgrade windows server 2008. | 20 |
| 4. | Install windows server 2008. | 5 |
| 5. | Show the result to the examiner. | 5 |
-

Material/Software requirements:

1. Working System.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 02

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Install windows server 2008 R2.

1. Check and enlist whether the given system has fulfilled the system requirement to install windows server 2008. 20
 2. Select the installation choice which are suitable to your given system requirement. 20
 3. What are the ways to manage windows server core. 20
-

Material/Software requirements:

1. Working System, sound, card, sound drivers etc.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 03

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Procedure to deploy and manage virtual machine.

- | | | |
|----|---|----|
| 1. | Which are the key areas of improvement in windows server 2008 R2. | 20 |
| 2. | Write the procedure to manage virtual machine storage. | 20 |
| 3. | Create and configure virtual machine in windows server 2008 R2. | 10 |
| 4. | Show the result to examiner. | 10 |
-

Material/Software requirements:

1. Working System, sound card, sound drivers etc.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 04

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Procedure to configure a virtual machine for Live Migration.

1. What is live Migration? What are the benefits of it? 15
 2. What is difference between quick migration and live migration? 15
 3. Write the steps to configure a virtual machine for live migration. 15
 4. Show the result to the examiner. 15
-

Material/Software requirements:

1. Working System.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 05

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Administration and management of Remote App Desktop (RAD).

1. What is remote desktop service? How it provide rich remote desktop. 15
 2. Write the steps to manage and administration Windows Server 2008 R2 using windows power shell module. 15
 3. What are the feature of remote app desktop. 20
 4. Show the Result to the examiner. 10
-

Material/Software requirements:

1. Working System.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 06

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Understanding and Integration Remote and local Application with remote app.

1. What are Remote and local applications? How it integrates using Remote application. 20
 2. Configure remote application to take over the local file extensions. What are the steps? 20
 3. How remote application working over the web. 10
 4. Show the Result to the examiner. 10
-

Material/Software requirements:

1. Working System.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 07

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- How do you host-application IIS 7.5 in Windows Server 2008.

1. Which are the major enhancement in the applications hosting capabilities in windows server 2008? 20
 2. Install IIS 7.5. Write the steps to configure. 20
 3. Write the features of windows server 2008. 10
 4. Show the Result to the examiner. 10
-

Material/Software requirements:

1. Working System.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 08

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Introducing and development Direct access.

1. What is direct access feature in windows server 2008? 20
 2. Install direct access feature after checking network capabilities and various Supporting infrastructure recourses. 20
 3. Write the connection process for direct access between server and client. 10
 4. Show the result to the examiner. 10
-

Material/Software requirements:

1. Working System.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 09

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Managing windows 2008 server backup.

1. What is windows server 2008 backup utility. 15
 2. What is Bit locker ToGo feature in windows server 2008? How do you manage it. 15
 3. Take a print out of test page. 15
 4. Show the all result to Examiner. 15
-

Material/Software requirements:

1. Working System.
2. Power code.
3. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 10

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Installing and managing Remote Access service in windows server 2008.

- | | |
|---|----|
| 1. Write the steps to install windows server 2008. | 20 |
| 2. Write the steps to install remote access services. | 20 |
| 3. Configure Remote access service. | 10 |
| 4. Show the all result to the examiner. | 10 |
-

Material/Software requirements:

1. Working System.
2. Windows 95/98 install.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 11

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Installing and managing IIS server in Win 2K8 server.

- | | | |
|----|---|----|
| 1. | Write the steps to installation Win 2K8 server. | 10 |
| 2. | Write the steps to installation Remote access services. | 20 |
| 3. | Write the steps to configuration Remote Access service. | 20 |
| 4. | Show the all result to the examiner. | 10 |
-

Material/Software requirements:

1. Working System.
2. Working CD-ROM etc.

V05/V06/V07/V14/Practical Examination Slip

Course Name & Code: (NET 110)/201605

Slip No.: 12

Time : 3 Hours

Marks : 60

Instructions:

1. Use Answers Sheets for practical Observation and write procedure and result.
 2. This practical slip must be attached to your answers-sheet.
 3. Figures to write are maximum marks for that Question/Option/ Activity.
 4. Draw observation tables and write conclusion, unites for the practical.
 5. Show the observation and conclusion /result to the Examiner.
-

Practical Title- Introducing and Deployment Direct Access.

1. Explain about Deploying Direct access. 15
 2. Write the steps to configure The Deploying Direct access. 15
 3. Write the steps to configure GUR in win 2K8. 10
 4. What is difference between Virtual server and Win 2K8 server. 10
 5. Show the result all to the examiner. 10
-

Material/Software requirements:

1. Working System.
2. Working CD-ROM etc.
