1	Yavatmal	Mungsaji Maharaj Mahavidyalaya	NA	NA	The School of Computer Science received the proposal on 3/04/2017 by speed post. Since it was received from Central Inward Outward Section, the school verified the actual receipt of the proposal in the University (Central Inward Outward Section). For this purpose, the Scrutiny Committee verified from the website of INDIA Post and found that the bag was received at YCMOU on 24/03/2017. The proposal received after the last date. All telephonic enquires were communicated that the proposals will not be accepted after the last date. It would be unfair to them if this proposal which was received on 24th March 2017 will be considered. Hence committee has decided not to further process the proposal. The School should send the DD along with the covering letter to the applicant institution by Speed Post. Hence, not recommended.	**Study Centre not granted.**
