Schedule for MBA Project Report/Synopsis

Exam Event January 2023 (only for repeater students)

Submission of Synopsis/Project Reports

Start Date: 2nd December 2022 End Date: 31st December 2022

Resubmission of Synopsis/Project Reports

Start Date: 1st January 2023 End Date: 20th January 2023

Resubmission of Project Reports

Start Date: 21st January 2023 End Date: 30th January 2023

PLEASE NOTE:

- This event of online submission of MBA-P79 synopsis/project reports is only for repeater students.
- The user credentials of the students will be sent to their mobile numbers/email ids.
- Students are advised to check their mail inbox for updates about user credentials, status of their synopsis/project report.
- If in case any of the students who have filled repeater examination form does not receive user credentials he/she may obtain the same from their respective study centers.
- After uploading the synopsis/project report to the pms portal students are advised to preserve the soft copies of their synopses and project reports so that they can be produced as and when required.
- After uploading the synopsis to the online pms portal if it gets either approved or

approved with suggestions, in such case the student need to directly upload the final project along with suggestions if any given by the evaluator.

- Only students who get not approved/rejected remark from the evaluator need to re-upload/resubmit the synopsis with necessary changes as suggested by the evaluator.
- Those students who have already submitted the synopsis online mode and got remark as approved/approved with suggestions need not upload the synopsis again. Such students can directly incorporate the suggestions given by the evaluator in the final project and upload the same to the pms portal.
- Students who have submitted the synopsis in offline format and got remarks as approved/approved with suggestions need to submit the proforma for synopsis and letter received from the Director School of Commerce and Management.
- If the synopsis/project report is rejected by the evaluator, the student will be provided with only one chance to re-submit the synopsis/project report. If he/she fails to meet the expectation of the evaluator even after re-submission the student will have to submit the rejected synopsis/project report in next exam event scheduled by the university.
- Students are notified to strictly adhere to the university guidelines for preparation of synopsis and project reports and do not violate the schedule provided by the university.
- The study centre and students are instructed to take strict note of it, that under no circumstances the synopsis/project report will be accepted after the due date, neither in online nor in offline format.
